Continental
Aluminum
is pleased to announce
that we are on-line at
www.continentalaluminum.com

Dear Neighbor:

Continental Aluminum has gone on line at www.continentalaluminum.com to provide our neighbors an opportunity to learn more about what we do.

As a responsible corporate neighbor, Continental Aluminum provides all the environmental benefits of aluminum recycling, from one of the country's most strictly monitored and controlled smelting facilities.

I hope that you find this site helpful in gaining a stronger understanding of what we do and how we operate. Thank you for visiting and feel free to contact me at anytime at (248) 437-1001, #101.

Sincerely,

Bill Altgilbers
