Continental Aluminum to Receive State Award for Outstanding Safety & Health Record

APRIL 22, 2005 - Continental Aluminum's New Hudson plant will receive an award for an outstanding safety and health record from the Michigan Occupational Safety and Health Administration (MIOSHA) on Tuesday, April 26, 2005, at 2:00 p.m., at 29201 Milford Rd., in New Hudson. The MIOSHA program is part of the Michigan Department of Labor & Economic Growth (DLEG).

The MIOSHA Consultation Education and Training (CET) Division recognizes the safety and health achievements of Michigan employers and employees through CET Awards, which are based on excellent safety and health performance. The CET Bronze Award recognizes leadership and commitment to workplace safety and health resulting in significant improvement of their MIOSHA record.

MIOSHA Director **Doug Kalinowski** will present the award to President **Bill Altgilbers**, Safety & Quality Manager **Henry Szybowicz**, and the Continental Aluminum Safety Committee. Invited guests and Continental Aluminum's day-shift employees will attend the presentation.

Continental Aluminum operates one of the most advanced secondary aluminum smelters in the United States. State-of-the-art equipment, ISO 9001 certification of their processes, and strict quality and environmental controls allow Continental to be a cost effective resource for their customers, and a responsible corporate neighbor in the community.
